

**IMPORTANT INFORMATION**

March 27, 2026

**An important update about your account.**

As CedarStone takes the final steps in transitioning to First Financial Bank, we want to continue to keep you informed and up to date throughout the process. With this transition, your current CedarStone account(s) will need to be renumbered.

**Beginning April 27, 2026 your account(s) at First Financial will have new account numbers shown on the following page.**

- You can continue to use your existing CedarStone checks until April 26.
- Personal checking customers will receive a small package of new checks with the First Financial name, logo, new account number and routing number to begin using on April 27. After April 27, additional checks may be ordered at First Financial Bank locations.
- **If you have any recurring deposits (such as Social Security) or payments made to or from your account, be sure to update your new account number and routing number with the appropriate depositor or payee as of April 27. The First Financial routing number is 074900356.**

There's nothing else that will change as a result of your new account number.
