As you may know, CedarStone officially became part of First Financial Bank on March 1, 2026. Like CedarStone, First Financial is a strong community-focused organization with over 190 years of helping individuals, families and businesses with their financial needs.

We appreciate the opportunity to continue to serve you as we align our account offerings. That's why we wanted to let you know we will no longer offer Vacation Savings accounts. **Instead, we're offering customers a flexible way to save through our Savings account.**

Here's what you need to know:

- On April 10, 2026 you'll receive your final payout, and the account will be closed.
- **If you have deposits that are auto transferred from another account, please cancel those transaction(s) prior to April 10 to avoid having any funds withdrawn.**
- Any transfers completed after April 10 will be returned to you.

A Flexible Way to Keep Saving

With the demands of family, work, and your busy day-to-day, having extra funds is essential.

A First Savings account allows you to earn interest on savings, with anytime access to your funds and no early withdrawal fees! Open an account today by visiting your nearest location.
